

Smile with Confidence and Comfort

Interest Free Financing That Gives You the Smile You Deserve

Your Smile Is Too Important to Lose

Teeth and gum problems cause pain, discomfort, bad breath, and tooth loss. If left untreated, your problems will lead to more pain and more expensive treatment. Financial reasons shouldn't come between you and the healthy and comfortable smile you deserve.

We Want to Help You Smile

We understand that paying for the dental treatment you need can be overwhelming. That's why we offer **Interest Free Financing**. Getting a healthy smile is easier than you think.

1. Schedule Your Treatment

Schedule your appointment to get the treatment you need.

2. Pay Half of Your Total

Pay half of your total treatment amount.

3. Set Up Monthly Payments

Each month, your credit/debit card will be charged the agreed upon payment amount.

4. Smile with Confidence

You will smile with confidence knowing you received the treatment you needed and deserved!

Estimated monthly payments for treatment and services for \$250 and more.
Ask our team about amounts not specifically shown on the below chart.

Example Amount Financed	Down Payment (Half of Total)	Month One Payment	Month Two Payment	Month Three Payment	Month Four Payment	Final Balance (No Interest)
\$250	\$125	\$125				\$0
\$500	\$250	\$125	\$125			\$0
\$750	\$375	\$125	\$125	\$125		\$0
\$1000	\$500	\$125	\$125	\$125	\$125	\$0

Every amount financed requires half of the total amount as a Down Payment. Total amounts of \$250+ can be divided into 2 total payments. Total amounts of \$500+ can be divided into 3 total payments. Total amounts of \$750+ can be divided into 4 total payments. Total amounts of \$1000+ can be divided into 5 total payments.
